

History of Witch-Tree

Von -Zero-chan-

History of Witch-Tree

Moon is awakening
Sun fall asleep
Dusty stars gazing on
Red blooded trees

Bittersweet tears
From the hanging men
Fallen on ground
Cruel fairytales

Little Maid
Crushed into sadness
Death by stoning
That's what makes her cry

Damned are you
Who came out of the darkness
But they'll never see
And they'll never cough
The true devil
