Wondering how to hold you

Von Hisakata

Kapitel 1: holding you

holding you

I can see you!
Sitting next to me
I can see
tears in your eyes
I can see
you looking into the darkness
and the tears overwhelm

I feel
your dreams crumbling to dust
I feel
the pain that hurts your heart
I feel
your hand on my cheek
and my dreams start to shiver

I wish
I could do the right every time
I wish
I could wipe the tears away and
I wish
you would know that I really love you
and you would know that this is true

I love you
the only words in my mind
I love you
Not only words but emotions
I love you
I would do anything to show you
I love you
But I don't know

if it's enough to hold you
