Kapitel 1: Tears full of Sadness

Tears full of Sadness
A Gate opened at Night
A Spring starts to flow again

No one stay`s behind me
A Mask of Strength
A Face full of Pain

Many things happen
Loosing someone`s Soul and Body
Loosing someone`s Love

Feel like Atlas,
carrying the world on my Shoulders
Keep an Eye on the Family
Carry the Burden of Death an Lost

Stomageache
Were`s the helping Hand?
Were`s the Light at the End of the Tunnel?

The Soul influences the Body
Not able to sleep
Not able to react

Family lies in Ruins
Dispute between mother an daughter
Dispute between sisters

The Time has come
He wents to sleep in the Afternoon
15 Minutes later, he will
never wake up again.

Dies ist ein kleines Gedenken meinerseits, an meinen Nachbarn,

der am 22. April 2011 unerwartet verstorben ist.
Ich danke Ryosae, die mir in dieser Zeit zur Seite stand! *knuddel*
Ich würde mich freuen, wenn es euch gefällt^^
