Kapitel 13: After you had sex together for the first time (Request)

TOP:

After he laid next to you, he immediately got his arm under you and pulled you to him. Like he was protecting you he was holding on you and started to stroke your hair kindly. He kissed you on the forehead and looked deeply in your eyes. For hours you both just looked each other in the eyes and smiled at each other with exchanging little kisses from time to time.

G-Dragon:

After you both finished the act he still was on top of you and smiled at you. He kissed you on the lips and on the nose which made you giggle and took the embarrassing feeling from you. "Are you tired?" he asked you and laid down next to you. You shook your head telling him you were not tired. He smiled at you and started to hug you. "Well. Then let's cuddle a little bit before going to sleep." You nod and started to cuddle with him. Before you both felt asleep you talked about the past, how you two got to know each other, what you liked about the other person and how you felt from the beginning until now about the other one.

Daesung:

Both of you are silent and a little bit embarrassed. Even if there is nothing to be embarrassed for. After some minutes he hugs you and kisses you on your cheek. "Good night darling. I love you." He told you and you both felt asleep while holding on each other.

Taeyang:

Everyone who knew Taeyang, knew that this was his first time ever. Of course it didn't last long but you didn't care. After some minutes you broke the silence. Because you didn't want him to be embarrassed or hurt you didn't mention the short time you had sex some minutes before. "Taeyang." You started to kiss him softly on his cheek. "You wanna do it again?" He turned to you, kissed you on the mouth and wandered down your body with his hand. I think that's a yes

Seungri:

You lay next to each other and he turns to you. "Did you like it? I really liked it when

you did that thing" You looked away embarrassed as he said that. How could he talk about sex so openly. "Are you embarrassed?" He asked. "You don't have to, because you were really good." He grinned.
